Giuliana Parties for a Cause

GIULIANA RANCIC hosted *Life & Style's* Hollywood in Bright Pink event at The One Group's Bagatelle in LA on Oct. 9. Shared Giuliana: "Tonight is very important to me because I launched Fab-U-Wish, which is this great program where we help women going through breast and ovarian cancers by granting them fabulous themed wishes!" The star planned to take the red-eye home after the event to reunite with husband Bill Rancic and their baby, Duke.

🍷 MARVELOUS MAKEUP: Celebs created their own personalized gift bags by filling totes with L.A. COLORS cosmetics and sweet treats.
