

4 Super Spots to Spend Super Bowl Sunday

Sunday's Superbowl game between the evenly-ranked Seahawks and Broncos will kick off at 3:30 p.m. Here are a few spots that would love to have you join their soirees:

If you want to get Hollywood-fancy on Sunday, consider [Bagatelle](#) West Hollywood's game-day brunch with a DJ, a dance floor, and drink specials. TVs will be on in the main dining room, but the sound will be that of the DJ spinning. However they've got 6 "premiere viewing suite tables" in the back room for the die-hard football fans who need to hear the play-by-plays. Seating for those spots will begin at 2:30 p.m. They're serving the full menu along with game-day specials. Make reservations at Bagatelle's WeHo location (755 N. La Cienega Blvd.) [here](#).
