STRAHAN & PALS GET BUBBLY

Michael Strahan (below) was live with Nicole on Sunday in the Meatpacking District. The ABC host, fiancée **Nicole Murphy** and a few pals strolled into Bagatelle NY about 2:30 p.m. and dined on lobster omelets and pancake short-rib sandwiches, washed down with Moet Champagne. Afterward, our insider says the group ordered tequila and sang and danced until 6 p.m. "Nicole and Michael were very affectionate," said our spy.
