### ☑ TGIF Cocktail Recipe of the Day: Let's Toast to Cinco de Mayo

As an Hondurian girl from a soccer loving family, it is my duty to dislike anything Mexican related (in jest of course) so says my [mother](#) because they dashed her hopes for team to win a cup. The hate is real. But, in the spirit of **Cinco de Mayo** and celebration am willing let bygones be bygones. Join me in celebrating Cinco de Mayo in style with some savory themed cocktails.
