Mardi Gras 2014: Where To Celebrate Fat Tuesday In NYC

You don't have to be in Louisiana to partake in the Mardi Gras festivities this year. New York City will be celebrating like the natives of New Orleans with Southern-style music, food and events. Festivities for this year's Fat Tuesday range from themed dinners to Bourbon Street inspired parties. Head over to one of these hotspots after work and enjoy some of the best Mardi Gras events the city has to offer.

Bagatelle NY

If you're contemplating celebration plans for Fat Tuesday, then we have just the place. Celebrations at Bagatelle begin at 6pm and DJ Fazz will be spinning all night. Enjoy specialty cocktails and dishes in the spirit of Mardi Gras!
