THE \$1,000 ICE CREAM SUNDAE

If you're still hungry after that zillion-dollar grilled cheese we told you about, why not top it off with an extra expensive ice cream sundae from Bagatelle? **The Mauboussin Mega Sundae** consists of homemade vanilla ice cream, homemade French macaroons, chocolate truffles, gold leaves, sorbet made of Dom Perignon rose champagne, dark chocolate brownies covered in edible 24 carat gold and fresh whipped cream covered in chocolate vodka sauce. The dessert is served in a large martini glass and also comes with a "black steel, white gold and diamond ring," which is already \$590.
