Crazy like a Foxx

JAMIE Foxx (above) took over Bagatelle's party brunch Saturday by stepping into a DJ booth to rap. When the DJ played Foxx's "Gold Digger," he was overheard telling a staffer, "If you're going to play my song, get me a microphone so I can sing it!" A spy further tells us Foxx put on a show for diners and kept the mike at his side for the "rest of the afternoon," introducing himself to the crowd as "Jamie mother-[bleeping] Foxx!" and "continuing to introduce all the songs."
